

# Allergen Guide

Cleveland Pizza Co does not assume responsibility for a person's sensitivities or food allergies to food provided in our restaurants. Most of our menu contains made fresh to order items, we cannot guarantee that our products are completely free from common allergens because of the possibility of cross-contamination within the kitchen.

Peanuts, Tree Nuts, Fish, and Shellfish are not used in our regular menu items.

Recipes change occasionally so please check our allergy chart regularly.

The chart below details our products that we know contain, or are manufactured, stored, or processed with the top nine major food allergens.
